## NOTICE OF JUDGMENT NO. 2303.

(Given pursuant to section 4 of the Food and Drugs Act.)

### ADULTERATION OF CREAM.

On November 30, 1912, the United States Attorney for the District of Columbia, acting upon a report by the Health Officer of said District, under authority from the Secretary of Agriculture, filed in the Police Court of the District aforesaid an information against Philip H. Cline, Jefferson, Md., alleging the sale by him, at the District aforesaid, in violation of the Food and Drugs Act, on October 17 and 28, 1912, of quantities of cream which was adulterated. The product bore no label.

Adulteration of the product was alleged in the information for the reason that a valuable constituent thereof, to wit, butter fat, had been left out and abstracted in whole or in part.

On November 30, 1912, the defendant entered a plea of guilty to the information and the court imposed a fine of \$10.
